NEW LAWN MOWING PROPOSALS REVIEWED

A MESSAGE FROM PRESIDENT SAM DE ANGELO

To our Residents,

As our year continues we have many vendors who provide much needed services to our community.

We appreciate the work they do and in order to do an effective and efficient job we are asking all our residents to please refrain from stopping and speaking to any workers while they are providing their service.

If you have a question, comment, suggestions or complaints we would ask that you contact the chairperson of the committee overseeing that service and they and the Board will see to it that your views are made known to that particular vendor.

I, the Board and our committees thank you all in advance for your cooperation.

Sam De Angelo
President
