A Message from Jane Rodgers

Both Melba and Ginny have experienced some illness this past week or so and I'm sure they could use a little cheering up with some cards from the community.

Many communities, such as ours, have a Good and Welfare Committee, to share news of special, happy occasions (birthdays, anniversaries, awards, recognition, etc.) and also to notify neighbors of illnesses, losses, change in circumstances, etc. Please feel free to send related information to my e-mail: marjoe1988@verizon.net that can be shared with others, with their permission, in the Voice of the Villas. In addition, inspirations stories, sayings and messages would be welcome and used when possible. Thank you.
