

VOICE OF THE VILLAS

January 26, 2020

FROM VILLA BOARD SECRETARY ERIC DOBIS

The Shuffleboard court will be resurfaced starting on Monday, January 27, 2020. It will take about two days to complete. Our Shuffleboard player group will not be able to play on Tuesday as planned. Regular schedule play will begin the following week on the new and improved surface.

I'll place a message at the bulletin board as well.

I wanted to welcome Ken Kirk as a member of this Bocce Court Committee. I have asked for his input and help. He has agreed to be part of the committee's effort in bring bocce to The Villas.

Bill and Cindy Charland, and Joe Palagonia, thanks for all your work as well. I brought up the subject at the board meeting yesterday, and had copies of your work available for board members to review.
