

VOICE OF THE VILLAS

June 8, 2020

NEW DATE AND TIME TUESDAY, JUNE 9, 5:00 pm

Join us this Saturday at the Pool Gazebo to view the Villas of Chestnut Creek Exterior Paint Color selections under consideration. Your input is welcome and we thank all those who have worked to provide these lovely options.

FROM CHRISTINE UTTARO

I want to thank those who donated food to Jubilee center in Englewood over the past few weeks while local food pantries were closed....in March more than 500 adults and close to 200 children were served and numbers were higher in April. The donations were appreciated.

Local food pantries are now open so I do not expect any further donations which is fine as we are currently well stocked....just wanted those who donated to know it went to good use.

Also, special thanks to **EILEEN DEIMLER AND MYRA & HERB JOHNSON** who helped to collect and deliver an impressive amount of food donations last Saturday from our community to benefit the Knights of Columbus Auxiliary food drive that directly supported multiple Venice charities.. We are grateful to all who generously contributed.

FROM CINDY CHARLAND

Hi, Weather permitting, we will play Tuesday and Thursday evenings @ 6:30, and Sundays @ 5:30 with snacks then. Weather will be a factor as we cannot play on a wet or damp court as it will ruin the surface. It looks like this week is out due to weather. We all look forward to another game as the game of Bocce has had a great response from those who have played!! Thanks.
