## FROM HERB JOHNSON RE: BIG BLUE BINS

If you have previously requested the smaller bins from the County, the latest information is that the recycle bins will be exchanged on our regular pick up date this Thursday, June 11; however they have so many requests that for some Chestnut Creek homes, it may be the following Thursday, June 18. We are asked to leave the bins out until **8:00 pm** in the evening on Thursday if you have already requested an exchange via phone or online. For folks who have left Venice, you can contact Sarasota County Recycling Customer Service at 941/493-4100 or <http://www.scgov.net> when you return. Many thanks, **Herb**.

## SUMMER BOCCE UPDATE
