

VOICE OF THE VILLAS

January 5, 2021

FROM **LINDA LEWIS**
Chair, Villas Grounds Committee

In case you haven't already seen/heard the welcome sounds of cleaning, pressure washing is taking place throughout the Villas this next week.

If you want to have your driveway cleaned the rate is \$45 for a single width driveway\$75 for a double driveway....this includes cleaning the side walk to the house.....but not the porch.

You can talk to Chris in person or call or text him..941 800 6739. He is very easy to deal with and does a great job.

***Thanks to Linda and the hardworking, talented Grounds
Committee
for keeping the Villas beautiful.***
