

VOICE OF THE VILLAS

January 10, 2021

FROM **LINDA LEWIS**, Villa Grounds Committee

Please note the correct phone number to arrange for power washing your driveway...\$45 for single, \$75 for double....

Call Chris Cameron @ 941-800-6339.

FROM **ALICE KIENITZ**

In addition to Alice's active commitment to the Villas, she serves as a member of the Chestnut Creek Master Association Board of Directors and has asked that every Villa neighbor respond to the recent mailing from the Masters re: their Annual Meeting which will take place next **Wednesday, January 13** via Zoom meeting.

This is what we ask every Villa resident to do asap.

In the package you received, there are three important forms for your immediate response.

GREEN - check **YES** to approve Carry Over excess membership dues from prior year to current year. This is the most important for our tax exempt status.

YELLOW - Voting Certificate

WHITE - Owner Information - details are optional.

There is a return mailing envelope to the Master Association in your package, **HOWEVER**, it would be best to just drop off your signed forms to Alice's home, 512 PENDLETON PLACE, no later than January 12, 5:00 pm to have your voice heard and your vote counted. There is a Ballot Box located at her front door to deposit your forms.

Please support Alice in this effort so she can continue to be the Villas' voice on the Master Board.

Thank you, Alice, with warmest wishes for your speedy recovery.
