A DO-OVER

Remember as kids, when something didn't go as we had hoped, we called, "DO OVER". If only it were that easy now. Well, maybe it's not as hard as we think.

In reflecting on the beginning of this new year, despite all the unknowns lurking over us, perhaps we can declare that we will do some things a bit differently, in our families, among our circle of friends, and in our very own Villa community, to make life lovelier and more enriched for ourselves, and others.

A few modest suggestions to consider. Get to know neighbors a bit better by attending at least one of the many events planned by the hard working Social Committee. Perhaps attend at least one of the monthly meetings, both the Villas and Master Association, and witness dedicated board members at work, learn about plans for the future of Chestnut Creek...your future, and how you can play a role. We all have talents to contribute. Get involved and be the change you wish for.

Be creative, host a driveway party for your immediate neighbors, with everyone bringing a chair, snack and beverage while watching the sunset. Everyone appreciates an invitation. Some especially need one. As the saying goes,

"An act of kindness is the most powerful force in the world".

**A heartfelt thank you to all Villa dedicated
Committee Volunteers and Board Members.
Our community owes you a great debt of gratitude.**

**To all Villa friends,
we wish you and yours
a 2022 filled with
old comforts and new treasures.**
