All beyond understanding

Check Bulletin Board for  
Listing of Activities and  
Upcoming Events

*Life in the Fifties (Author Unknown)*  
*"So now we face a brave new world in slightly larger jeans,  
And wonder why they're using smaller print in magazines.  
And we tell our children's children of the way it used to be,  
Long ago and far away in the Land that Made Me, Me."*
