Dear Chestnut Creek Villa Neighbors,

Please be advised of multiple, recent vandalism in our Chestnut Creek Community, most recently our neighbors in the Patios.

A number of cars have been vandalized and one was stolen.

It is imperative to lock your cars at all time, keep alert, call police if there is any suspicious activity. Park your car in garage overnight when possible.

Please stay vigilant and report any suspicious activity to the Sheriffs Office. Also lock your cars and keep an outside light on at night.
