

VOICE OF THE VILLAS

July 16, 2022

THANK YOU

With heartfelt appreciation to
JO HALSTEAD,
a member of our Pool Committee,
who lovingly planted new plants and
continues to provide special attention throughout the
summer to all those that adorn our pool area.

And a shout out of appreciation to our
unofficial Chestnut Creek "Mayor"
HOWARD GRUBB
who cleared the overgrown shed area of
overgrown weeds and unsightly invasives.

What lies behind us
and what lies before
us are small matters
compared to what
lies within us.
