

VOICE OF THE VILLAS
November 6, 2022 – Daylight Savings

From Board Member **JIM LARR**

For all residents getting stumps ground, please request to have your irrigation pipes and heads marked near any area being affected by the activity. While any damage is the responsibility of the home owner, the repairs can be delayed and affect the next watering cycles. Thanks. jlarr57@yahoo.com

YOU ARE INVITED....

Veterans Day Pizza Party
Saturday, November 12th
4:00 pm

Come to recognize our Villa neighbors
Who Served Our Country With Honor

If you plan to attend the Veterans' Day Salute please sign up **by November 9th** at pool bulletin board so we know how many pizzas we need to order, tables and chairs to set up, and other details to comfortably accommodate everyone.

Bring your own beverages and you can sign up to bring salad or dessert.

No white elephant gifts requested for this party, only 50/50 cash raffle. Centerpieces graciously created by our talented floral designer **BARBARA RAO.**

With Heartfelt Appreciation from **BARBARA AND PHIL HAAG** to all those neighbors who generously donated shoes, sneakers and clothing for the Trinity Presbyterian Church drive to help those most seriously impacted by the hurricane in Venice and surrounding communities. The Leader of the Christian Aid Community at the Church said that donations from our Villas were 'above

and beyond' all those collected from other volunteers. **It is not too late to donate. Last day is November 9th** for additional contributions. Kindly deliver to:
