

VOICE OF THE VILLAS

July 7, 2023

We extend Heartfelt Condolences to her daughters, our neighbors,
Darlene Boddy and Edye Shipps,
and the entire **COOK FAMILY** on the passing of our long time cherished Villa friend,

EDITH COOK,

who passed away at age 99 1/2.

You can read about Edith's extraordinary accomplishments, as well as details of her Memorial Service, in the attached obituary which reflects a full life, well lived.

Edith's inspiring legacy includes children, grandchildren, great-grandchildren, and great-great grandchildren. Edith, with her late husband Ray, were long time residents of Chestnut Creek, who built a successful business in Venice, lit up the skies with their flying feats, and loved and thrived in nature as accomplished outdoors people.

"Keep looking up", as Edith always said to those of us who were blessed to have had this remarkable woman in our community.
