At age 80, Josephine Geluso, wrote her first poem, but not her last. She self-published 5 volumes until her passing at age 100+. I share this poem, 'THROUGH WITH YOUTH', from her book, BOW TO TIME.

***don't worry about oldness
I'm already there
my body has changed
inside. I'm me
holding tight to my dreams
spirit unbroken.***

***carry youth with me
into winter
memories highlighted
in my crest.***

***climb the mountain
of gathering years
age has taught me
to see the view better.***
