Villas of Chestnut Creek Neighbors (thanks John Gerber)

A REMINDER RE: PET PROTOCOL IN THE VILLAS...

be a Good Neighbor

We are experiencing a problem with loose dogs and cats. Just a gentle reminder even cats can not be out loose.

Villas Rules and Regulations state:

- All domestic animals shall be kept on a leash when outside the unit property.

- All animal droppings must be picked up by the owners of the animal and must be disposed of at your own residence.
- No animals shall be allowed to create constant noise audible to any adjoining property to such an extent as to be offensive.

A Special Note of Gratitude to:

JANE RODGERS, BRAD EDWARDS, BRIDGET EDWARDS, EILEEN DEIMLER for the lovely new Pool enhancements include new table umbrellas, planters and cheery plants. Water aerobics, every Monday - Friday @ 10:00am.
