MESSAGE FROM A VILLA NEIGHBOR

We live on Pendleton Drive and have noticed that many people in Chestnut Creek are driving much faster than the speed limit. Yesterday we had just entered Chestnut Creek and two Sandhill Cranes with their tiny baby crossed the street in front of us. My husband stopped the car and three impatient people passed us going much too fast. Fortunately, the birds made it across safely. It seems that an enforced 15 mph speed limit would be reasonable to protect the wildlife. If anything can be done about this, we would be in favor of it.

WITH APPRECIATION to...

ERIC DOBIS and the talented team of **CHIP CAROTHERS** AND **BILL TRISSEL** for installing security cameras at the pool area to protect our property. Also, notice new handrails and cover for the chair.

And to all our **FLOWER ANGELS**, thank you for watering, weeding and lovingly caring for the pool planters.

Please visit the bulletin board for info on free/low cost activities and events throughout our Venice community, and visit our Little Lending Library to give and get a good read.

SAVE THE DATE & SIGN UP
