From HOTWIRE:

Hello everyone,

We wanted to share a quick explanation about the \$99 service visit fee, as it can sometimes cause confusion.

When residents call Hotwire for assistance, our Customer Support team always tries to help over the phone first. If a technician visit is needed, residents may be advised that a \$99 fee could apply, depending on the situation.

The \$99 fee only applies if a technician comes out, and the issue turns out to be outside of Hotwire's service. For example, this could include situations where:

- The issue is related to the television itself rather than the Hotwire equipment
- The problem involves personal equipment not provided by Hotwire

If the issue is related to Hotwires equipment, wiring, or service, there is no charge.

Our goal is always to help residents and make sure service issues are handled fairly and clearly. If a resident ever receives a charge they don't feel is appropriate, they are encouraged to reach out to their Hotwire Account Manager so it can be reviewed.

Thank you, and please know we're always happy to help.

### IRRIGATION ISSUES

If you experience any irrigation issues, please contact **HOWARD GRUBB** who will forward your request to our irrigation company. With appreciation to **Howard**, and to **BILL TRISSEL**, who has generously offered to assist. There is only one watering per week through this dry period.

### LANDSCAPING

Special appreciation to **RICH AND JANE HUHN** who also keep our Villa grounds green and gorgeous. Volunteers are always welcome to assist. If you have a passion for plants, reach out to the Huhns.

The Public Library is a great resource for information and inspiration. Please check the pool bulletin board which features flyers on programs and activities available at our local Jacaranda Library as well as other Sarasota area libraries.

Also, feel free to browse our "Little Lending Library" adjacent to the bulletin board to give and get a good read.
